

THE THINGS WE ALREADY KNOW

Silent Retreat for Women

Paula D'Arcy

Friday - Sunday, September 10-12, 2010

One of the greatest impediments to the things we have yet to learn, are the things we are certain we already know. Believing this, we never challenge or question the very things that must be questioned if we are to grow and deepen. Come look into the mysteries that lie before us, and learn to cultivate the capacity to let God lead you

deeper into the heart of life.

Paula D'Arcy is a writer, retreat leader, and conference and seminar speaker, and travels widely in the United States, Canada, and abroad. Her work includes leading workshops and retreats related to spirituality, aspiring writers, and women's gatherings, including Women's Initiation and Rites of Passage.

She is President of the Red Bird Foundation, which supports the growth and spiritual development of those in need and furthers a ministry both to those in prison and those living in third world or disadvantaged cultures.
