

## Southeast Texas Catholics erect a cross to remember 9/11 victims

Four Southeast Texas first responders will carry a 12 foot replica of the Ground Zero Cross into St. Anthony Cathedral Basilica, corner of Jefferson and Wall, Beaumont, at the noon Sept. 11 Mass in honor of the Sept. 11 terrorist attacks 10 years ago.

"It's a time to remember victims and their families, pray for peace, and re-commit to working toward peace," Bishop Guillory said.

The cross will be received by Bishop Guillory and later enshrined in the Pilgrims Place of Peace at the corner of Trinity and Wall Streets. The Pilgrims Place of Peace will give Southeast Texans the opportunity to pray for an end to war and violence on the international, national, civic, and domestic levels.

Bishop Guillory will also be presented with a molten relic from Ground Zero that will later be formed into an olive branch and placed at the memorial.
